Yes - we are planning on sending out our direction to the LWG on lamprey and sturgeon studies tomorrow. The DQOs for the three study types will be included as an attachment. Burt has generated the DQOs for the lamprey sensitivity studies and should have the DQOs for the other studies done by the end of today. The trustees receive all correspondence in this matter.

Eric,

Based on our monthly trustee meeting today, I understand that you intend to send out the DQOs for lamprey and sturgeon tomorrow. Will that include all DQOs or just for lamprey ammocoetes? Also, will the gov. partners receive those along with the LWG?
